CHELMSFORD -- Panera Bread's Drum Hill location recently raised and donated \$6,000 to the House of Hope in Lowell with a ceremony at which House of Hope Business Manager Brenda Hassett accepted the donation from Panera General Manager Jessica Dumas. The money was collected from customers and matched dollar-for-dollar by Panera Bread. The donation will be used to further the House of Hope's mission of providing homeless families with a safe, nurturing and dynamic environment to help get them back on their feet.
